Cathedral of Notre Dame Support

The Basilica of the National Shrine of the Immaculate Conception in Washington, DC, has set up a fund to help the Cathedral resurrect and rebuild. The Shrine, whose Board of Members consists of the Administrative Committee of the USCCB, has the infrastructure to manage donated funds and established relationships to provide the necessary and appropriate due diligence on the distribution of funds. All proceeds received will be used solely for the assistance of Notre Dame Cathedral and those affected by this tragedy.

Individuals wishing to donate may do so by several methods. If an individual wishes to write a check, below is the necessary information for remittance:
