

## **HNS Monroe County Summer Lunch Program 2020**

With the current pandemic, House of Neighborly Service is working with our partners to identify and provide for those who need help with food security this summer. Our free summer lunch program will look different this year as we are keeping the safety of volunteers and clients a top priority. We will have sites around the county where families can pick up a family lunch bag once a week beginning the first week of June. This is made possible by financial and food donations provided by YOU! We are in need of help as our registration list is growing daily. If you can help with any of the items below, please feel free to drop off at one of the listed locations. We are in need of your support to feed Monroe County this summer! If you have questions, please call our office at 618-939-8900 or our Help Line at 618-939-8680!

### **WE NEED:**

Canned meat	Canned soups and pastas
Pasta sauce and dry pasta	Peanut butter and jelly
