

House of Neighborly Service Summer Lunch Program 2021

1331 Jamie Lane, Waterloo, Illinois 62298

The HNS Summer Lunch program is heading into our sixth year and will run from May 27th thru August 12th! Our menus have been set and we have a grocery wish list below! Last year we provided over 6,000 lunches during the summer months in Monroe County and the program is growing! We can only accomplish this with the support, hard work and donations from our partners and volunteers! If you, your organization, business or friends group would like to donate we are collecting 150 of each item! We would also greatly appreciate monetary donations and we will purchase items! If you have any questions, please call our office at 618-939-8900 or e-mail our Director, Tina Charron at hns.tina@gmail.com .
